Automatic External Defibrillator Vendor List

The following companies supply Automatic External Defibrillators. The City and County of San Francisco and its departments, divisions, sections and units, while strongly supporting the concept of Public Access Defibrillation, do not endorse any specific automatic or semi-automatic external defibrillation product.

All Layperson AED Programs must comply with California Health & Safety Code, Division 2.5, CCR Title 22, Division 9, Chapter 1.8. For further information about our Layperson AED program, please contact the EMS Agency at 415-355-2605.
